**To All REBNY Members Required to Meet the
Photoluminescent Stairwell Mandate
in New York City**

AfterGlow Technologies is pleased to offer the following complimentary services and discounts for members of the Real Estate Board of New York.

The Company

AfterGlow Technologies, a REBNY member, is the commercial division of Noesis, the company selected by the Pentagon as its sole photoluminescent contractor for 9/11 reconstruction. AfterGlow offers unmatched engineering and product expertise, as well as a comprehensive approach that make it the ideal partner for compliance with New York City local law 26/04. AfterGlow is well suited to manage all aspects of large-scale projects, from product selection to logistics and installation. The company guarantees high quality and provides aesthetically pleasing photoluminescent solutions for businesses and institutions.

Our Member Offer

AfterGlow is pleased to offer REBNY members the following special services and discounts:

- 1. complimentary professional surveys and assessment reports for their buildings;**
- 2. complimentary planning and budgeting analysis for multiple-building portfolios;**
- 3. guaranteed fixed price for materials, labor and project management;**
- 4. preferred product pricing under a schedule providing discounts of 15% off standard rates*; interested REBNY members may contact AfterGlow Technologies to receive the standard price list and REBNY discount prices for all stairwell mandated materials.**

**can not be combined with any other promotional or discount offers.*

Very truly yours,

AfterGlow Technologies Team
