AUGUST 2011

### REBNY Calls On Real Estate Industry To Assist Japan

The Real Estate Board of New York (REBNY) has called upon its members and those across the real estate industry to assist Japan through the Mayor's Fund to Advance New York City following the catastrophic earthquake and tsunami.

Through the Mayor's Fund, the Japan Earthquake and Tsunami Fund has been organized to provide financial assistance to reputable organizations that are providing disaster relief efforts. All donations are 100-percent guaranteed to go directly to these charities.

"With critical infrastructure still severely damaged and a bottleneck of goods in the country, relief organizations are stressing not to send food and supplies at this time," said REBNY President Steven Spicola. "Right now the most pressing need is for financial help. As an industry, we have always responded to such events with great compassion and generosity, so please give a donation."

To donate online go to [www.nyc.gov/fund](http://www.nyc.gov/fund). REBNY members should notify the Mayor's Fund following donations (by email: [fund@cityhall.nyc.gov](mailto:fund@cityhall.nyc.gov) or phone: 212-788-7794) to tally up REBNY member support. Donations by phone can be made by dialing 311 or 212-788-7794.
