### **Overview of our Company**

Grueneyes started over 30 years ago and built gradually from our first store at 1225 Lexington Avenue to 8 stores today. Six of our stores are in Manhattan, one in Greenwich CT, and one in East Hampton.

We pride ourselves on being the most complete source of High Fashion eyewear in the city. We offer the most well known fashion brands, as well as more obscure brands that we shop the world to discover. We refresh our stock several times a year, so our customers know they are always getting the very latest and best in the world.

We also pride ourselves on having the best-trained opticians in the city, with each having 10 plus years experience and deep expertise in all the latest lens technologies. We are heavily service focused and build life relationships with our customers by giving them more than they expect.
