### **High Risk Life Insurance With No Exam for REBNY Members**

We specialize in helping people, like you, find affordable life insurance plans regardless of your age or health. No medical exams are required. High risk applicants are encouraged to apply.

Have you had trouble getting life insurance due to one of these conditions?

- AIDS/HIV
- Alcohol Abuse
- Alzheimer's
- Artery Disease
- Cancer
- Cerebral Palsy
- COPD
- Coronary Artery Disease
- Diabetes Type I
- Diabetes Type II
- Drug Abuse
- Emphysema
- Epilepsy
- Fibromyalgia
- Heart Attack
- Heart Disease
- Hepatitis C
- High Blood Pressure
- High Cholesterol
- Hypertension
- Kidney Disease
- Kidney Stones
- Liver Disease
- Obesity
- Multiple Sclerosis
- Vascular Disease
- Stroke

While most insurance companies don't provide life insurance coverage in high risk situations, we can get it for you through our personal network across the US. No medical exams are required; no medical conditions denied; all ages are accepted from children to senior citizens and the elderly. Even if you have been denied life insurance coverage, we'll find you an affordable policy. Our goal is getting you more insurance for less money.
