Testimonials

<p>Nancy Senescu Barkin and Associates</p>	<p>The products and service provided by Curatin Call's owner Yumi Kim is second to none!. As a real estate broker it is imperative that we refer "excellence" when it comes to window treatments. Our clientele expects the best . Yumi Kim delivers. As she herself is a real estate broker, she understands the clients' need more than any other vendor. Her products are designed for the individual clients taste as well as their budget. Our clients are so ecstatic with Yumi's designs. I refer her to every deal that our firm does! Curatin call is the best</p>
<p>William Landhauser SVP Prudential Douglas Elliman Real Estate</p>	<p>I was extremely fortunate to have met Yumi Kim of Curtain Call when I did. Since I am a very active selling real estate broker in new buildings throughout Manhattan, I always have clients asking me if I know of anyone who I could highly recommend to do their window treatments. Not until Yumi, did I feel comfortable in recommending anyone. I found Yumi Kim (Curtain Call) to be extremely knowledgeable, very easy to deal with, and always accommodating. I especially find her products to be very unique and of the highest quality. That is why I have already recommended numerous people to use Curtain Call; including my own family, and many of my top clients. Based on the feedback I have received from everyone who has used Curtain Call, each one has been extremely satisfied with both the service they provided and especially with the quality of their product. I will continue to highly recommend Curtain Call to everyone I know without hesitation.</p>
<p>Tiffany Ong Corcoran group real estate</p>	<p>I wanted to take this opportunity to thank Curtain Call so much for the wonderful work on our rental property at the Orion. I truly believe that installing quality window treatments attracted an enormous interest from potential tenants. In the end, it was that extra "something" that helped rent out the apartment in a timely manner. The apartment definitely stood out from the rest of the rental units in the building. I actually received calls from other brokers who saw the apartment inquiring where we got our window treatments. As always, I will continue to refer Curtain Call to my friends, family, coworkers and clients. I have no doubt that Curtain Call will do their usual fantastic job.</p>
